

PRESENTATIONS

2019 NAME EDUCATION SESSIONS - SEMINAR PLANNING PROGRESS TABLE

	1 MANURE AND NUTRIENT MANAGEMENT BASICS	2 MANURE AND SOIL	3 SAFETY AND HEALTH WITH MANURE	4 NEW TECHNOLOGIES IN MANURE MANAGEMENT
8:00 - 8:30	Manure Application Regulations – Federal and State Level TRISH DUNN (OISC, IN)	Can Manure Improve Soil Health? TENG LIM (U MISSURI, MO)	Enhancing the Safety and Health of Manure Storage and Handling Facilities BILL FIELD (PURDUE U., IN)	Anaerobic Digestion: From Waste to Energy ASHLEY J. BELLE (UIUC, IL)
8:30 - 9:00	The Michigan EnviroImpact Tool: A Decision Support Tool for Short-Term Manure and Nutrient Application Planning ERICA ROGERS (MSU, MI)	Coupled Impact of Manure and Cover Crops on Optimal Corn Yield SHALAMAR ARMSTRONG (PURDUE U. IN)	Planning for the Unexpected: Manure Storage and Natural Disasters KEVIN ERB (U WISCONSIN, WI)	Newtrient Manure Technology Catalog: An On-line Resource Everyone Involved in Dairy Manure Management MARK STOERMANN (NEWTRENT LLC, IL)
9:00 - 9:30	Odor Management: What to Do! ALBERT HEBER (PURDUE U., IN)	Manure, Cover Crops and Improving Soil Functions TONY BAILEY (USDA NRCS, IN) OR ANOTHER	Biosecure Animal Mortality Composting NESLI AKDENIZ (UIUC, IL)	Manure Management Technology Selection Guidance – What is Best for You JEFFREY PORTER (USDA-NRCS, NC)
9:30 - 10:00	Foundational Nutrient Concepts Everyone Utilizing Manure Should Know ROBB MEINEN (PSU, PA)	Practical Experiences Incorporating Swine Manure into a Soil Health System MARK LEGAN - LEGAN LIVESTOCK & GRAIN	Don't Rely on Luck – Use the Right Hitch Pin (Safety in manure transportation) FRED WHITFORD (PURDUE U., IN)	Ohio's Experience with Side-dressing Emerged Corn with Liquid Livestock Manure GLEN ARNOLD (OSU, OH)
1:00 - 1:30	Livestock Waste Application Setback Requirements for Unpermitted Large CAFOs DAVID GINDER (EPA, IL)	Application strategies in a soil health system (swine)	Developing a PREPared Community with the Collaboration of Local, State, and University Resources SHAWN EHLERS (PURDUE U., IN)	Renewable Nutrients: Obstacle v. Opportunity CARL RAMSEY (FAIR OAKS, IN)
1:30 - 2:00	What We Need to Know about Additive Products for Manure Treatment JIQIN (JQ) NI (PURDUE U., IN)	Manure management, manure application, or manure and soil	Biosecurity	What's Coming Next? Hear from manure applicators across the Midwest about what precision technology they're using today and what's in the near future.
